

ICHIKAWA TORU

Ichikawa Toru, born in Tokyo in 1973, is an emerging contemporary ceramic artist. He started learning ceramics in his middle 30s under Kakurezaki Ryuichi who has made a profound change in the style of Bizen. His exquisite works with dynamic form and deep colours represent his passion for beauty.

Ichikawa san has been the subject of extensive solo shows in Japan and is considered one of the most adventurous and avant garde ceramic artists currently active there.
